

To Bridlington Archers, at Burton Agnes

Burton Agnes is a small village on the A614 from Driffield towards Bridlington. To reach the archery field, as you enter the village, from whichever direction (i.e. Bridlington or Driffield), look for the turn off opposite the village pub, and a brown "heritage" type fingerpost, "RUDSTONE".

Follow the road towards "Rudstone" (it's a beacon, apparently), and about 300-400 yards up on the left is a gateway to the car park area, and the archery field is adjacent.
